PROFESSIONAL EXPERIENCE

Northwest Regional Educational Service District – *Web Developer Intern*
April 2023 – July 2024

- Designed and developed a website for NWRESD's trail project using HTML, CSS, and JavaScript.
- Wrote clear and readable code and ensured the website was easily maintainable for others to update in the future.
- Communicated with NWRESD on important content to include, and effectively made additions to the website.

VOLUNTEER EXPERIENCE

Rainier Public Library

September 2023

- Logged book's ISBNs to make it far easier for the librarian to keep track of stock.

Rainier Days in the Park

July 2023

- Removed trash from the premises and wiped down tables to keep things clean and ensure a pleasant time for all visitors during the event.

Rainier Community Church of God VBS

June 2023, June 2024

- Helped Facilitate engaging arts and crafts activities for children, fostering creativity and enjoyment during the program.
